

PRODUCT USE GUIDE FOR LIFT WHITE BOARD CLEANER D55

Product Description

Specifically created to remove permanent marker pen from white boards. Also effective on ball point pen and aerosol spray on other hard surfaces. Its unique formulation also removes ghosting marks that are left from the use of wrongly used marker pens to bring boards back to a nearly new finish.

Product Features

- A safe and easy to use solvent-based formulation designed to remove marker from white boards.
- This high performance marker board cleaner will remove permanent marker ink, highlighter marks, tape, adhesives and glue, even after many years, and is perfectly safe to use.

Direction for Use

- Apply product onto a disposable paper towel and apply to the surface using circular motion.
- Repeat if required.
- Buff with a clean paper towel.
- Dispose of the towel into a pedal bin.

Shelf Life

- It is recommended that this product is used within 24 months of purchase in the UK climate and within 6 months in warmer climates, although its colour and appearance may alter within this period in hot climates. Do not allow to freeze.

Environmental Hazards

- Do not allow large quantities of neat liquid to enter surface waterways.
- In the event of a large spillage, contact the local water authority or Environment Agency immediately.
