

## PRODUCT USE GUIDE FOR CASCADE DISHWASH POWDER C11

### Product Description

Suitable for domestic and commercial dishwashing machines where a separate rinse additive is used. Possesses excellent food soiling removal properties. Manual dosing for controlled economy. Suitable for crockery, utensils and glassware.

### Product Features

- A high quality, low foaming, concentrated detergent formulated for all makes of dishwashing machines.
- Protects china patterns and metal-ware. However, the product is not suitable for antiques, some lead crystal or decorative glassware, hand painted porcelain or items with pattern over-glaze, items with bone, wood or plastic handles, coloured or anodised aluminium-ware, or plastic items which cannot withstand temperatures of 70°C. If in doubt, test wash on item several times.

### Direction for Use

	<b>Soft Water</b>	<b>Hard Water</b>
Domestic Machines: (For machines fitted with water softener)	50g per 5 litres	60g per 5 litres
Commercial Spray Type Machine:	50g per 5 litres	30g per 5 litres

### Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

### Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

### Environmental

- Do not allow neat product to enter surface waterways.
- Will cause damage to plant life and is injurious to aquatic animal life in the concentrated form
- In the event of a large spillage, contact the local water authority or Environment Agency immediately.
- None of the components of this product are animal derived.
