

Evolution Multi-Surface Cleaner & Degreaser

Description

A highly effective cleaner and degreaser for use where heavy soil and grease are evident. Can be used through a trigger bottle on exterior areas of equipment including canopy hoods, fat fryers, cookers, canopy filters, stainless steel wall cladding and glazed tiles.

There is a bucket fill option for floors, walls and general cleaning of hard surfaces. Specially designed for use through the Cleenol Evolution dispensing system.

Fragrance Free and Food Safe for use in food preparation environments. It's highly concentrated form leads to a better packaging to product ratio i.e. significantly less packaging is used to supply the product in concentrated form, than the equivalent amount of product supplied in ready to use form.

Directions For Use

The product may be dispensed by the Evolution system into a bucket at a rate of 5ml, 10ml, 15ml or 20ml per 5L of water, depending upon the strength of finished product required.

Trigger Sprays: Apply product to cloth and wipe. For heavy soiling, spray directly on to surface. Allow 2 - 3 minutes contact time before wiping surface. Repeat steps 1 and 2 where heavy soiling is encountered. Wipe surface dry with a paper wipe.

Bucket Use: Wash floors using clean mop, then rinse with clean water, allow to dry. Rinse mop.

Refilling 750ml Flask

Follow bottle filling directions on product system chart. When empty, fill to top line of bottle.

Reloading Pouch Pack

(1) Remove empty pouch from dispenser and dispose of as normal waste. (2) Remove screw cap. (3) Insert pouch in Evolution Dispenser No. 2. (4) Depress locking cap firmly into pouch. (5) Lock cabinet. (6) Insert over-rider key and pump until product is dispensed (ensure flask is in place).

Product Codes

EV2

Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended.

Use within 6 months of opening.

Environmental

Lower carbon footprint

Do not allow large quantities of neat product to enter surface waterways.

This product uses recyclable packaging. The detergents used in the formulation are biodegradable to EU guidelines under the detergents regulations (EC) No 648/2004.

It contains no Phosphates.
