

Folding Catering Trolley

A handy catering trolley that folds away for easy transportation and storage

Designed for when it's important to store your trolley out of the way when not in use or for mobile catering, the Folding Catering Trolley easily pops up and locks into place.

The trolley is made from durable polypropylene, and is fitted with two braked castors, an easy-to-use handle locking device, comes fully assembled and ready to use, and folds away for convenient storage down to 45x20x106cm.

The maximum weight capacity is 60kg.
